## OBJECTIVE

Resourceful Junior React Developer with hands-on experience in building web apps and AI-powered chatbots. Recently integrated GPT-4 into client-facing applications using MongoDB and Gmail API. Looking to join a forward-thinking team where I can continue learning and building scalable front-end solutions.

---

## EXPERIENCE

### **AI Chatbot Developer (Freelance) — Pelukita's Show**

Hopewell, VA | Jul 2025 – Present

- Built an AI-powered Facebook Messenger bot that books birthday parties in Spanish/English using GPT-4.
- Managed user input, session data, and dynamic bookings with Node.js and MongoDB.
- Automated email confirmations using Gmail API.
- Ensured multi-turn, natural conversations with memory and pricing validation.

### **Freelance React Developer — Andrey's ProLandscaping & Tree Services LLC**

Midlothian, VA | Aug 2023 – Jan 2024

- Delivered a professional landscaping website from scratch using React and Chakra UI.
- Focused on SEO, mobile responsiveness, and ease-of-use for non-technical business owners.

### **Junior React Developer — Vet Tech IT Services LLC**

Midlothian, VA | Feb 2020 – May 2022

- Contributed to front-end development in an agile team.
- Participated in code reviews, bug fixing, and Git-based collaboration.

---

## PROJECTS

### **Web Portfolio**

- Built with React, showcasing projects and resume.
- Hosted on Netlify with smooth animations and responsive design.

### **Pelukita Bot**

- Messenger bot for party reservations.
- Built with GPT-4, Node.js, MongoDB, Gmail API.
- Natural multi-lingual interaction and structured booking flow.

### **MyReads App**

- Categorize and manage reading lists.
- Built with React and external Books API.

---

## SKILLS

- **Languages/Frameworks:** JavaScript, React.js, Flutter, HTML5, CSS, TypeScript
  - **Styling Tools:** ChakraUI, Bootstrap
  - **Backend/Tools:** GitHub, Firebase, Node.js (basic), Express (basic), MongoDB (basic)
  - **AI/Automation:** OpenAI API (GPT-4), Gmail API
  - **Languages:** English, Spanish (bilingual)
- 

## EDUCATION

### **Associate of Applied Science, Information Technology**

John Tyler Community College (now Brightpoint) — Chesterfield, VA
